NEW ORLEANS, LA (PRWEB) APRIL 11, 2022

Mother's Day is fast approaching, and **DERMA LOUNGE's** customers are celebrating the mothers in their lives by gifting one or more of DERMA's premium nano-facial treatments. The Mother's Day specials include the Uplifting Nano-facial for \$199 (a \$250 value) and/or the Brightening Nano-facial for \$99 (a \$150 value).

The Uplifting Nano-facial treatment is a collagen-stimulating exfoliation followed by nano-infused hydration and a nourishing lift mask procedure, guaranteeing the most radiant and smooth skin. The Brightening Nano-facial is infused with hyaluronic acid for skin that glows almost instantly. Multiple treatments applied one week apart can eliminate dull skin and fade pigmentation spots for a more youthful, even tone.

In addition to the nano-facial specials, DERMA LOUNGE offers so many products and services that would make for an excellent gift or gift voucher idea. Just in time for Mother's Day, DERMA is featuring the "Eye Love You" Gift Set, which includes a 3-pack of Velez by Vesna eye patches for ideal post-treatment hydration, the in-house brand DL Ceuticals Vita C Eye Serum for battling more radiant eyes, and a voucher for the Brightening Nano-channeling Eye Treatment, all for the special price of \$149 (a \$175 value).

"Vitamin C has long been used to reverse and defend against sun damage, lighten dark spots, and smooth out wrinkles. The production of collagen, the protein that prevents sagging, can be stimulated using Vitamin C. When combined with Vitamin E and the other active ingredients in the DL Ceuticals line, Vitamin C treatment can also diminish minor scars", says owner and Board Certified Esthetician, Shannon Delacerda. "With this treatment, women can look their best - gorgeous, rested, and rejuvenated." The Mother's Day Special treatments can be used within six months of purchase. DERMA LOUNGE asks that you please reschedule or cancel at least 24 hours before the beginning of your appointment, or there may be a cancellation fee.

Along with the Vita C Eye Serum, DERMA LOUNGE's own DL Ceuticals Vita C Duo Eye Complex is a soothing and beneficial treatment for the delicate skin around your eyes. The treatment provides a robust delivery system for bio-

Mothers deserve to be pampered. The Uplifting and Brightening Nano-facial treatments are now available for a special Mother's Day price.

available Vitamin C and licorice root extract, horsetail plant extract, and hyaluronic acid. Licorice root contains anti-inflammatory properties and vital antioxidants, reducing dark circles and brightening skin. Hyaluronic acid gives your skin its plump and hydrated sheen and moisturizes the treatment area to bring back youthful eyes. Horsetail plant extract is also chockful of healthy antioxidants, tightens, and helps to eliminate damage from free radicals. DERMA LOUNGE'S Vita C Eye Serum provides an infusion of Vitamin C with Vitamin E and ferulic acid to protect the Vitamin C from being destroyed through oxidation. This collagen-boosting serum blends hyaluronic acid with organic jojoba oil and the amino acid arginine.

Utilizing her 27 years of experience as an esthetician within acclaimed local wellness spas and private practice, Delacerda created unique and personalized skin treatments with a specialization in non-invasive corrective skin care. She is a certified expert in clinical skincare, including facials, microdermabrasion, permanent makeup, nanochanneling, laser resurfacing, tattoo removal, and dermaplaning. She is also skilled in numerous cosmetic services, including makeup application, waxing, eyelash extensions, brow tinting, and much more. Her work in the field has led to recognition in the New Orleans community throughout the years in publications such as Renew Magazine, Gambit's Best of New Orleans, and Cue Publications.

Tailoring all of her services to the exact needs of each individual client, Delacerda strongly considers environmental factors. She explains that increased humidity leads to entirely unique skin conditions among her clients and that she has learned to master and control acne management and anti-aging treatments. Through the years, Delacerda has developed relationships with loyal, long-term clients and has worked with A-list celebrities, advancing her professionalism and developing a rock-solid clinical and nurturing treatment style.
